

the
power
of many

benefits

There are many benefits to being a partner in the Memorial Medical Group. As a member of one of the largest multi-specialty physician practices in the state, you will enjoy the

rewards of affiliation and collaboration with other respected and experienced physicians. Additionally, with competitive base salaries and the security that employment offers, doctors can establish a new practice

and focus on practicing medicine, instead of managing a business.

Some other benefits include:

- Competitive salaries & compensation packages
- Electronic medical record
- Affiliation with the largest medical center in Southwest Oklahoma
- Incentive packages
- Shared call groups
- 17 medical specialties and nearly 100 practice affiliates
- No administrative practice management responsibility

Experience the rewards of
collaboration

Great Place to Work The MMG is a physician group employed by Comanche County Memorial Hospital (CCMH). CCMH is the regional referral center for Southwest Oklahoma and recognized as one of the leading hospitals in America earning numerous prestigious awards and distinctions from independent healthcare ratings organizations.

To speak to an MMG Physician Recruiter, call [580.510.7070](tel:580.510.7070) or email physicianrecruitment@mmgonline.org

work-life
balance

MMG physicians enjoy the benefits of advanced medical technology, in the convenience of a small-town community setting. Beautiful neighborhoods are within walking distance of Comanche County Memorial Hospital where MMG physicians share call, and most physician practices are located on the hospital campus providing easy access from office to making rounds or the surgery suite. For those who prefer the allure of outdoor adventure, country and lakeside living and the beautiful Wichita Mountains Wildlife Refuge is within twenty minutes of the front door of the Hospital.

Great Place to Live Comanche County Memorial Hospital is located in Lawton, one of the largest cities in Oklahoma and serves a population base of approximately 330,000.

MMG providers enjoy easy access to metropolitan cities while experiencing the convenience of a small town. Lawton provides the best of big city medicine without the commute. Benefits of the Lawton community include:

- Great public and private schools
- Arts and entertainment
- Outdoor adventure opportunities
